SUMMER UNIVERSITY UNISO 2011

Call for papers

University-enterprise partnership for smart and sustainable growth

The National Conservatory of Arts and Trades - Cnam (France) and the Executive Unit of the National Qualifications and Adult Training Council - UECNCFPA (Romania) organize on July 6-10, 2011 the tenth edition of the Summer University: UNiversity in SOciety - UNISO 2011.

The event will take place in Paris, and it will be hosted by Cnam, with the support of the Romanian Association for Knowledge Transfer - ATRC, University of Pitești (România), University of Picardie Jules-Verne, University of Rouen, University of Versailles Saint-Quentin-en-Yvelines, Competitiveness Clusters of Paris-Ile de France - ASTech, Mov'eo, as well as of the regional and local authorities, universities, enterprises and social partners.

The main theme of the event will be University-enterprise partnership for smart and sustainable growth.

The papers and the debates will focus on the following topics:

- continuing training and social dialogue;
- employment and employability;
- training options for the university of the future;
- university during the second Bologna decade;
- design of higher education study programmes based on learning outcomes;
- development of university or company clusters;
- development of occupations and competences following technological and social changes;
- entrepreneurial models for an effective and human enterprise;
- cooperation in research for growth....

There will be three round tables:

- 40 years of continuing training in France

- European projects - catalysts for strategic partnerships
- Transport and globalisation in the 21st century

If you want to contribute with a paper and/or participate in the event:

Please register directly at:

www.uniso.u-picardie.fr

Please send the title of your intervention, a summary (no more than 500 words), as well as a brief CV, by the 15th of April 2011, at uniso@cnam.fr or uniso2011@acpart.ro

The scientific committee will select the relevant papers and will communicate the decisions to the authors by the 15th of May 2011.

In case of selected contributions, the entire text of the paper should be submitted to the UNISO Secretariat in electronic format, by the 31st of May, to be published in the UNISO 2011 volume.

The working languages will be English and French.

Paris, February 21, 2011

Dear Mrs./Dear Mr.,

Cnam together with UECNCFPA organize the tenth edition of the international conference *University in Society: UNISO 2011*, on July 6-10, 2011.

In order to support further the university-industry dialogue, the organisers chose a theme of high interest both now and in the future:

University-enterprise partnership for smart and sustainable growth

I hope you will be interested in participating in this conference, in contributing with an intervention, in sharing experience and promoting young researchers' work.

You may register directly at: **www.uniso.u-picardie.fr**

For additional information, please contact the UNISO 2011 Secretariat by e-mail: uniso@cnam.fr; uniso2011@acpart.ro or by phone: + 336 01 58 80 86 61 ; + 336 06 37 28 20 96; +4 021 313 00 50.

Yours truly,

Sorin Zaharia
