

# WorldSkills PREMIERE experience 2011

## WorldSkills International and WorldSkills London 2011 invite you to participate in the WorldSkills Premiere Experience conference and event programme.

The WorldSkills Premiere Experience (WSPE) is a not-to-be missed conference and event programme being hosted in conjunction with the 41st WorldSkills Competition in London, United Kingdom from October 5-8, 2011.

Designed to bring leaders together from around the world for a productive, informative and exciting programme with the WorldSkills Competition as its centre-piece, the WSPE is a key component of WorldSkills London 2011.

The WSPE is designed for people in leadership positions interested in global skills issues, practice and policy, trends or new technology, networking and learning from other leaders in like positions. The WSPE conference and event 'Pick and Mix' components include visits to the WorldSkills Competition, participation in the Big Conversation on Work Inspiration, WorldSkills Leaders Forum (WSLF), Global Skills Marketplace (GSM), as well as other conference sessions, study visits, excursions, receptions, networking and cultural exchange opportunities in London, United Kingdom.

The 41st WorldSkills Competition will bring together over 1,000 young skill professionals from 56 countries/regions around the world competing in over 45 skill categories from the construction, manufacturing, high tech and service sectors of the economy. It is anticipated that there will be 150,000 visitors over the four days of Competition that will conclude with a spectacular Closing Ceremony at The O2 arena on Sunday, October 9, 2011.
